SMHF is pleased to announce the November draw's winning jackpot was \$4,425. Congratulations to Gary Rains, the lucky winner!

The draws take place each month from December 2020 to February 2021. Each draw starts on the first day of the month, with ticket sales closing the last Thursday of each month. Tickets are 5 for \$10, 20 for \$20 or 100 for \$40. The winner is guaranteed to win a minimum of \$1,000.

With the start of the holiday season, the SMHF is creating ways for the community to get engaged in supporting the Hospital's Capital Campaign, *Because of you, we can* that are fun and accessible for everyone.

This is the largest and most significant campaign in the Foundation's history to date, and the need for the community's support could not be more critical. The redevelopment project includes a revitalized Emergency Department, doubling the square footage of the Hospital and tripling the amount of parking space. Refreshed outpatient rooms, birthing suites and laboratory space are also included in the plans.
