“

“After making plans to take care of my children and grandchildren, I made arrangements in my Will to leave a planned gift to the Stevenson Memorial Hospital Foundation (SMHF). Having lived in this community for 27 years, I’ve seen the hospital grow over time and I’m deeply grateful for the care that the SMH provided to my late wife. I know that there are more and more people coming to our community and that the hospital needs to expand. I don’t consider myself to be wealthy, but I’ve lived a good life and I want to give back to help others.”
